

Physician Information

SNPF is an OHIP Licensed Independent Health Facility. We have been providing diagnostic pulmonary testing services to physicians for over 20 years, serving Eastern Toronto and GTA. Our reports are single sided, single page, in an easy to read format with numerical and graphic data. If you have an urgent request we will try accommodate.

What SNPF offers!

- 1) Testing for Spirometry, flow volume loops, lung volumes & diffusion and oximetry.
For Pediatric testing, children must over 6years of age
- 2) Ethic PFT corrections for African Americans, Asians, Caucasians and Latinos.
- 3) Gratis Oxygen Saturation for Airline Medical Clearance Certificates Forms.
- 4) Quick turn around times on reports
- 5) For your patients we offer convenient booking times and free parking.
- 6) Your patients can also have their X-rays, blood work, ECG, Holters, and Loop Recorders done at the same time. 4040 Finch is a full service medical building that includes Medical Lab, Diagnostic Imaging & Ultrasound, all located on the same floor.
- 7) Unfortunately we are unable to do methacholine challenge testing.

How to book a PFT test?

You can use your prescription pad, the white OHIP lab requisition form or print out our SNPF requisition from this page to order our tests.

A) Saves your office time. It is recommended that you give the patient our requisition form so they can call and book a test at their convenience. Please include OHIP billing number.

Or

B) Have your office staff book the test with our receptionist. No answering machine

Phone: 416-292-0222, for a test appointment. Toronto, Ontario.

Where to find us

Our address is 4040 Finch Ave, East. Lower Level Suite # 5 Medical Lab in the basement in Scarborough, Ontario M1S-4V5. From the main lobby just past the coffee island, you can take the stairs or elevator to the lower level. Once on the lower level, high on the wall is the sign lab/X-ray with an arrow. Please follow the arrow down the hallway to the medical lab, door is on the left. Please go to front desk. Thank-you
